the latest trends and happenings at the
various conferences, activities and social
events taking place together!

Concurrent Events:

STEM

Co-organized by:

worlddidac ASSOCIATION didacta

About Us

Worlddidac Asia believes both teachers and students must be equipped with 21st century knowledge and skills, and learn how to leverage new technologies, creative thinking and integrate them into their classroom practice. Preparing future teachers and students to win this critical battle is one of the top priorities of the governments in this region.

Worlddidac Asia is proud to be a platform for educators to discover new educational resources, gain practical knowledge, find new collaboration and shape their own teaching and learning environments from early years to all level of education so that our children meet the demands of a global economy, as well as engage in learning and innovation skills.

Co-located Event

ASIA DIDAC FORUM (ADF) & SPECIAL PUBLIC FORUM

The Conference is best recognized for a stellar lineup full of global change-making superstars and regional thought leaders who will share insights, vision and best practices on issues that inspire innovative approach to teaching and learning.

Connex

TVET CONNEX

An International Platform for TVET institutions/ organisations from Thailand and ASEAN to connect with each other, share ideas and form new partnerships.

The event consists of TVET Connex conference, showcase of TVET institutions/ organisations, one-2-one meeting and social networking.

STEM CONNEX

K-12 teachers will be invited to participate in STEM Robotic & STEM education live lessons with STEM awarded teachers/ experts sharing new ideas & unconventional practices in their classroom.

The workshops will be held throughout the year and during show days.

Digital Connex

DIGITAL CONNEX

The 21st Century learning practice in digital classroom workshop to help teachers apply those best practices in their daily teaching to facilitate teachers' work and to attract the interest of students to learn

Unleashed your creativities with digital experts from leading institutions/ companies.
