# What does this mean for you as members?

## MEMBERS BENEFITS

edu space

### LMS

Special price for WD Gold & Platinum members 1 € per user / month. For all other member 1,5 € per user/month (market price > 2 €). Reselling of LMS Subdomains to your Clients. As many separate subdomains as desired. Logo of member or their customer can be incorporated. This applies from 50 users per month.

### Online Content

In the separate member specific areas, you can integrate the content according to your own specifications. Content can be integrated in the following formats LTI, SCORM, PDF, MP4, etc.

In the public area of EduSpace, where all content is either freely available, or offered against payment, quality standards apply that we are happy to share.

### Get Started

1. Express sincere interest and communicate this to: [info@worlddidac.org](mailto:info@worlddidac.org)
2. Receive a demo account for testing
3. Final decision and agreement on how to proceed together
