

# CAREER AWARENESS

## BUILDING A BRIDGE BETWEEN EDUCATION AND CAREER

Are you a high school or vocational school student, a university student, or a graduate looking for help in finding the best fit profession and career path for yourself? Do you need guidance on building your CV, or preparing for job searching and interviews? This e-course is designed for people who want to have a structured approach to develop in their career.

In this course Extended DISC® Personal Behaviour Style Assessment is used, for you to get to know yourself better, and choose a profession that plays to your strengths. By completing this course, you will learn about how to choose a career, how to research and navigate job markets, how to write a good CV, how to prepare for job interviews, and how to use social media, such as LinkedIn, to market yourself as a valuable employee.
