WORLDDIDAC RUSSIA 2017

The trade show offers unparalleled opportunity to present your products and services to an audience that is ready to sit down and get business done.

Apart from the extensive business program, there will be a sightseeing tour of Moscow and an international «Exhibitors Night» party. A negotiation zone, as well as the traditional Worlddidac Lounge will be located in the exhibition area. Presentations, meetings and seminars will help every participant showcase their products.

We are sure that the exhibition will open to you the doors to the Russian market and bring many new business opportunities for its participants and visitors.
