

Accredited Education made accessible to all

The Nisai Group is the only online provider of education in the UK to be inspected by OFSTED. Nisai received 'good' with outstanding features for the Nisai Learning Hub incorporating the Nisai Virtual Academy.

Through strategic partnerships, Nisai have a fantastic opportunity to provide an increased route to market in the UK and Internationally.

Affordable and accessible education is the Nisai mission whilst focusing on providing an inclusive environment for learners to be nurtured, engaged and inspired.

Imagine all the positive aspects of a school - the classrooms, qualified teachers, a dedicated support team, extra-curricular activities and form tutors. Now picture it taking place online, in an inclusive and secure environment that welcomes every learner. That is the Nisai Virtual Academy.

Our learners are at the centre of everything we do and come from a range of backgrounds including Special Education Needs, Medically Ill, SEMH, Looked After and Gifted & Talented.

With students aged from 11 – 25, Nisai provide educational pathways through Key Stages 3, 4 & 5 and on to Further and Higher education and employment.

“Students with a range of learning difficulties and/or disabilities, who have previously found it difficult to attend school or college, develop their confidence and self-esteem in a safe learning environment.” OFSTED 2017

“Leaders and managers have successfully achieved their vision to provide online learning to students who otherwise would be unable to participate in education” OFSTED 2017

“Online learning makes a strong positive contribution to pupils’ learning. Learning activities are interesting and relevant to pupils’ experiences and needs.” OFSTED 2018
