

## Invitations of Fundamentals Training of Optoelectronic Technology

China, 10 May 2023

Dear Madam/Sir,

In an effort to propagate the novel skills acquired from the WorldSkills Competition, bolster the cultivation of optoelectronic technology professionals in countries, and offer a global platform for skill acquisition, Guangdong Vcom Education Technology Co., Ltd, as the Global Industry Partner of WorldSkills, has teamed up with the Human Resources and Social Security Bureau of Chongqing, China to jointly host an online training course, which covers the fundamentals of image creation and is open to all individuals with interest in enhancing their skills. This complimentary course is scheduled for 12-15 June 2023. It is with great pleasure that we extend an invitation for you to participate in this event and partake in a captivating and engrossing skill-building experience.

We will host two sessions, please choose the time that works for your time zone.

13:00-14:40(GMT+8)

20:00 -21:40(GMT+8)

Upon completion of this training, participants will gain a comprehensive understanding of a range of topics, including an introduction to lamp components, production techniques, installation procedures, display screen debugging and calibration, as well as light strip production, wiring, and control. Additionally, all qualified attendees will be awarded a certificate by Guangdong Vcom Education Technology Co., Ltd.

The training program will feature a blend of theoretical explanations and practical demonstrations, allowing participants to hone their skills using the consumables and knowledge provided by the host organization. Further details regarding the course logistics are available in the [registration form](#), which must be completed by 30 May 2023, 11:59 P.M. (GMT+8). For your convenience, the course syllabus has been attached to this email.

Should you have any queries, please do not hesitate to contact Ms. Jennifer Huang, Director of the International Department at VCOM, via email at [jennifer.huang@vcomgroup.org](mailto:jennifer.huang@vcomgroup.org).

We cordially invite you to join us at this event, and we look forward to your participation.

With Kind Regards,

Wang Yanfeng
