Learning Software Solutions | Bio-Medical |

Exports

The Company lays special emphasis on export of its products all over the world, hence has a correct knowhow of presenting, packaging a product and its instruction manual in a worldwide accepted standard :namely, Student Workbook & Instructor Guide. Company regularly exports to Dubai, Saudi Arabia, Oman, Iraq, Egypt, Jordan, Greece,

Palestine, Iran, Bahrain, Sudan, Tunisia, Nigeria, Kenya, Tanzania, South Africa, Bolivia, Dominic Republic, Nepal, Bhutan, Pakistan, Srilanka, Bangla Desh, Myanmar, Malaysia, Singapore, Yemen, Mongolia, Mauritius, Thailand, Vietnam, Poland, U.S.A., U.K. Company maintains 2 websites to support clients worldwide including Portugese/Spanish languages, to improve strike rate by clients & continual online presence through Whats app / Skype / GTalk / etc. for quick response.

R & D and Quality Assurance

Our R & D Engineers work in close contact with clients to produce user friendly products and manuals providing a fulfilling teaching & learning experience. Students can complete their assignments in a single laboratory session. Anshuman operates a continual product improvement process through ISO procedures and customer feedback to ensure that our equipment stays ahead of the competition and meets customer needs. Our product specifications are reviewed in line with worldwide curricula to comply varied syllabus requirements and hence regularly updated and new products developed. Quality production is ensured using structured step-by-step processes and documentation at every level in line with ISO 9001 requirements.

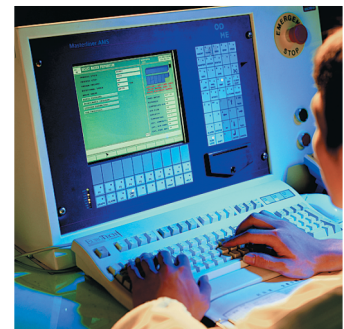

After Sales Service

Company responds to customer needs quickly and considers after sales service equally important to establish a culture of customer confidence. Anshuman has established long term relationships with its clients. To expedite your order or to get any particular service, please send us an e-mail, SMS or Whatsapp with product details and your contact address along with mobile / landline numbers. Our Service Engineers will respond to you quickly through e-mail or phone or Whatsapp/ Skype/GTalk. We also provide an installation, commissioning and training service or provide you video demo or animation CD's. for any customers who require assistance.

Quality policy : The management and the staff of **ANSHUMAN TECH PVT. LTD.** is committed to provide Educational training instrument and test measurement products and services on par with international standards with an emphasis on cost effectiveness, customer satisfaction and market coverage with emphasis on Exports in hard currencies. It is our endeavour to create a culture of total quality where continuous improvement of our products by increasing involvement of people through **customer oriented, flexible, multiple job functions** with emphasis on cost consciousness becomes a way of life. (Review of the time of Catalog making)

Vision is to become top didactic training solution provider from India by providing excellent training product solutions and after-sales service to ensure customers' satisfaction by continuous updating of products, new models and related services.

Mission is to develop cost effective, safe and sturdy, attractive/elegant student friendly training systems for technical laboratory work by teachers, academicians & students with excellent manuals
