

Certificate Program for EXECUTIVES

(Over 8+ years of work experience)

Global Leadership Mindset Development Program

6 Weeks - 6 Competencies

Professors and Participants
From Around the World

Live Streaming every Thursday
8AM (Mexico Time)

Program Features

- The course teaches how to be an effective Global Leader.
- 120 minutes of weekly synchronous online live Zoom sessions are recorded for viewing asynchronously as review at any time.
- International business professors, authors, and experts from different countries and areas of specialization will conduct live sessions.
- Participants will be taught 6 critical Global Skills for Executives
- Participants who complete the Program will receive a Certificate from GMindset Center of Global Education

Each week Executives need to spent time on the learning platform - around 5 to 8 hours and need to read some teaching materials provided in the program to be prepared for the class.

Upon completion of the required coursework which is due no later than two weeks after the course ends, the GMindset will provide a certificate. In total, there is a workload of up to 60 hours included extra written reports.

Starts on:
2024-Aug 8th
